

MAKE A DIFFERENCE EVERY PAY

SINCE 2020
**CLUTHA
FOUNDATION**
HAS GRANTED
\$245,945
TO LOCAL
ORGANISATIONS

Workplace Giving is one of the easiest ways to donate regularly to Clutha Foundation, directly from your pre-tax pay.

Giving through your pay is tax effective, as the donations rebate is applied instantly, reducing the cost to you by a third.

Clutha Foundation connects generous people with local causes that matter. Our smarter giving model invests your donation so it can grow and become a reliable funding stream. We make it easy to benefit great local causes, now and into the future.

Giving that goes further through immediate tax relief

Every dollar donated only costs you .67 cents right at the time of giving. When you give \$7.50, only \$5 comes from your net pay. Clutha Foundation still receives the full \$7.50, which benefits your community forever!
