\$245,945
TO LOCAL
ORGANISATIONS

After the 33.3% tax rebate your \$1,000 donation will only cost you \$670.

Clutha Foundation has big dreams. Our mission is to make the Clutha District a better place for everyone, and we need your help to do it.

Founding Fifty members play a crucial role by helping cover the operational costs of the Foundation. Your contributions support our behind-the-scenes work: paying our staff, maintaining our website, and basic office costs. This ensures we can focus our energy and funds on supporting projects that make a difference in the Clutha District.

Every dollar you donate enables us to nurture partnerships with worthy local organisations and stakeholders, amplifying our collective impact. Your generosity lays the foundation for long-lasting change.

Join our Founding Fifty members for as little as \$1,000 annually for five years.

Why five years?

Committing to a recurring donation for five years provides us with certainty around operational funding. This helps us plan for the future and reduces administration costs. With fewer resources used on searching for new income streams, we can focus on investing in our Clutha communities.
